NEW YORK, 10: CINCINNATI, 5.

The New Yorks turned the tables on the Cincinnatis at the Polo Grounds yesterday in a game that was practically devoid of excitement. Ewing's men couldn't hit Meekin to amount to anything, while Rhines and Frank Foreman, who handed 'em over for the visitors, were batted rather freely. Gleason played a magnificent second base, and Beckley's return to the local team added undoubted strength. There was little or no kicking. Umpire Sheridan, by his firmness on the preceding day, having the players well under his control. The crowd was comparatively small.

Fwing's men opened the game with three runs that were due to rather rocky work by the Jocals. Meekin sent Hoy to first on balls and the dummy took third on two passed balls. Mc-Phee also received four wide ones, and, when Piece also received four wide ones, and, when Miller tapped one to Meckin, Hoy beat Jonett's throw to the plate. McPhee was caught napping and Miller cantered in on Smith's single. A scratch double by Irwin brought in Germany, and Peitz was third out on a fly to Beckley. In the third inning Hoyt's two bagger was fumbled by Van Haltren and the deaf mute kept on to third, whence he scored on McPhee's out. The New Yorks made three in their half on Meckin's base on balls, Van Haltren's single, Tiernan's two bagger, Gleason's out and a sacrince by Dayls.

TENNIS AT TORONTO.

Spirited Play in the Open Stagles and Doubles. TORONTO, Sept. 3,-Ware, Whitman, Sheldon and Paret are left in the open singles of the Toronto Athletic Club's lawn tennis tournament, and these four men will meet in the semifinals to-morrow morning. The two Harvard experts are drawn against each other, while Sheldon of Yale will meet Paret of New York.

Whitman and Shelden each had easy matches to-day, but Ware and Paret had hard work to their places in the semi-final round. Foulkes, the British Columbian crack, came within a single stroke of beating Ware, and his clever showing was a genuine surprise. Rain had made the courts rather soft and slow, while a high wind made fine play difficult. Foulkes's English cut strokes bothered the Harvard crack, who had to play very carefully before his excellent nerve pulled him out of the hole he had got into on the third set, when Foulkes led at 5—i and 40—30.

The Faret-Neely match was also quite exciting, though the unfavorable conditions prevented fine play. After losing the first set Paret took the second casily, and led throughout the third. The Canadian girls gave the famous Atkinson sisters of Brooklyn quite a surprise in the ladies' singles. Each sister had to play a close match, but both won in the end, and are expected to meet in the finals on Saturday. Summary:

DEERSLAYER IS A STAYER.

MIDLOTHIAN'S STOUT LITTLE SON WINS THE AUTUMN CUP. Cleophus Takes the Belles Stakes for Two-

year-old Fillies-Flying Butchman Win-ner of the Handlenp-Pursus for The Manumon, Tom Cromwell, and Presten. The counter attraction of the Grand Circuit trotting meeting at Fleetwood Park resterday kept the attendance at the running races of the Coney Island Jockey Club at a lower ebb than ent yesterday to see Deerslayer win the Autumn fairly good field. The weather was lovely and the track faster than for many days past. Those who returned by the Bay Ridge route got a abroad in the harbor during the terrific storm

which raged from 6:30 till 7 o'clock. A field of six went to the post for the Autumn Cup. It comprised the five-year-old Dutch Skater, the four-year-olds Deerslaver and Connoisseur, and the three-year-olds Goidcrest, Ben Eder, and Souffie. The last named is s filly. and she was conceding weight to all of her opponents. Connoisseur was favorite at 3 to 1, with Dutch Skater second choice at 316 to 1. It was 4 to 1 each Ben Eder and Goldcrest, and 5 to 1 each Deerslayer and Souffe. It was a great race for speculation, the talent being well divided as to the merits of the field. Souffle went out to make the running, with Goldcrest and Hen Eder close up. Deerslayer was trailing under the stoutest kind of a pull. Lewis moved Connotsseur up to Souffie at the end of a mile, and haif a mile from home shot to the front, followed by Dutch Skater and Deerslayer. In a hundred yards Souffle was passed by every horse in the race, and the big filly was out of it. Dutch Skater took command of affairs at the head of the stretch, and looked all over a winner. The instant, however, that Doggett turned Deerslayer loose the race was over, the four-year-old coming right away and winning in a drive by half a length. Ben Eder beat Goldcrest a neck for third money. Connoisseur was last and Souffle next to last, both pulling up. Deerslayer has always been regarded as more of a sprinter than a stayer, but yesterday's race shows that the little fellow is as stout as he is game. It was a good race from a time standpoint, the track record being 3:01%

The winners will play a final eighteen-hole handicap, also at medal play, on Oct. 3. The handicaps will be based on the scores made in the previous competitions. The links at St. Andrew's, Seotiand, are thronged with players just now, and present a very gay and animated appearance. A few days ago no less than 102 matches were booked for the morning round, a record number. On Wednesday week the Earl of Dudiey won a round from Sir John Lubbock by two and one to play. Sir Charles Tennant and W. Auchterlonie halved a round with Lord Ribbleadale and Andrew Kirkcaldy, Col. Kennard won a round from Lord Alex. McKenzle by two. Lady Ribbleadale and Mrs. Agulth beat Mr. Asquith and Mrs. Graham Smith by two. In the afternoon Lord Ribbleedale halved a round with Mr. Graham Smith. Mrs. Graham Smith and W. Fourteen players handed in cards at the finish of the monthly handicap at the Dyker Meadow Golf Club, Fort Hamilton, resterday. Chauncey was the only scratch man, ext finishing before him by the aid of their handicaps. The ratings were cleverly made, the men being very even at the end. The summary:

GOLF AT NIAGARA-ON-THE-LAKE. Spirited Competition for the International

NIAGARA-ON-THE-LAKE, Sept. 3 .- The international trophy championship opened this morning. The weather was bad, and a drizzling rain left the links in rather sloppy condition. For a time it was thought the inclement weather would necessitate a postponement, but after some delay the players ralled at the links and the game began. Then the competitors became so absorbed in the game that they seemed to forget all about the weather. It was an exciting contest and a few of the players are winning a good deal of distinction. J. Gail Dickson of the Niagara Golf Club made a fine showing. He was to play Scott, but the latter did not appear and Dickson won by default.

Rawlins, the professional of the Utica Club, arrived here to-day. He will play on Saturday. Among the other professionals who appeared to-day for the first time were Tucker from the St. Andrew's Golf Club and Smith, the crack player of the Toronto Club. They are all entered for Saturday.

The trophy championship has now dwindled down to a contest between Kennedy of Chicago. H. R. Sweeny of St. Andrew's, Dickson of Niagara, and Curtis of Rochester: betting now stands 2 to 1 on Kennedy. All through the tournament he has been the favorite. H. R. Sweeny of St. Andrew's, Kennedy's opponent for to-morrow, is also in excellent condition, and will be able to give the Chicago crack a close run. Summary:

First Hound-Hedstrom of Huffalo played Kennedy of Chicago. Kennedy won by 7 up and 4 to play. Craig Powers of Rochester played E. A. Sell of Chicago Played J. Gail Plekson of Niagara. Dickson won by depaid. C. R. Hudson of Rochester played F. Corris of Rochester. Curtis won by 1 up and 4 to play. J. Andrew's Rennedy of Chicago played J. Gail Plekson of Niagara played G. F. Curtis of Rochester. Recurdy won by 4 up and 4 to play. J. Andrew's Rennedy of Chicago will played F. G. Pattison of Musselboro, Scott and Curlis won by 5 up and 4 to play. J. Curtis of Rochester, Beveny of St. Andrew's. Dickson won by 4 up and 4 to play. J. Curtis of Rochester Played F. G. Pattison of Musselboro, Scott and Curlis won by 5 up and 4 to play. J. Curtis of Rochester. The winner will be presented with a gold medal and will also have the honor of challenging MaseDonaid, the international shampton weather would necessitate a postponement out after some delay the players ral-

tional in the extreme, and Tommy Cooper took the honors, winning the one-mile record race and the half-mile open, in which he defeated Baid decisively. Murphy, MacDonald, Kennedy, Kimble, all were shut out of the meet without a piece of the money, and Sanger gained but a little. Little Michael did not

appear. In the amateur class the honors went to C. C. Ingraham of Dixon. The attendance was larger than yesterday, although the afternoon threatened rain and the wind blew in the faces of the riders in the stretch. There was no such grand finals of record breaking as in previous years, a mediocre field failing in several attempts. Parsons rode a half mile, paced by the triplet, in \$1 1-5 seconds, the best performance of many.

There was no doubt about the win of the Illi-

nois champion in the half mile open amateur race, which started the afternoon programme. Ingraham of Dixon won almost as he pleased by two lengths in the good time of 1:03. Curtis of Meriden shot up on the pole and beat Joe Harrison of Asbury Park on the tape. In the halfmile handicap, professional, Sanger and Gardiner on scratch added interest. Long markers again came to the front, and Saunders of Boston won by several lengths from George L. Bates, Gardiner and Sanger caught their field, how ever, and Gardiner took third in a very close

Most interest centred in the great mile record race. A new style of pacing was employed to advantage, Maddox being placed up in front in the usual way and Hamilton at the end of the line to get away with the rear men and pull them upat the sprint. In the rush for the pacemakers Sanger was again slow and nearly last in the line, the order back of Maddox being MacDonald, Cooper, Hoyt, Tom Butler, Kennedy, Murphy, and Coleman. Then came a gap of several lengths with Gardner leading the second bunch. Sanger was at his rear wheel, and Loughead, Cabanne, and Allen followed. At the half Sanger had aided in closing the gap, and Hamilton was going to the outside to take the lead. Sanger jumped out after him, but Cooper gained the position and the order in line on the backstretch changed, Cooper having the pacemaker, with Murphy following and then Loughead, Sanger, Cabanne, Coleman, Hoyt, MacDonald, and Tom Butler. At the upper turn, just as the field closed with lightning rapidity, Coleman fell.

Cooper, not to be disqualified again to-day, jumped and gained a lead. Hort from his pos tion near the rear made a good run round the field, and with a fine sprint gained the second position from Sanger, while Tommy Butler found himself not fast enough to make the run home with his usual winning gait against such long odds. Loughead, Gardiner, Kennedy, Mc-Donald, and Murphy followed. The time was 2:05 1-5. Curtis of Meriden scored in the mile open ama-

curtis of Meriden scored in the mile open amateur, and lograham of Dixon ran second. Ludwig of Chicopse was third, beaten in the last stages by ingraham. Harvey D. Hutchins took the mile 2:30 class professional in the good time of 2:07 2:5, an indication of the class of the men. Hutchins was close pressed by Coleman of Boston, and Wenig, who has represented a clearbout win does have a clearbout win does not have a clearbou teur, and Ingraham of Dixon ran second. Lud-wig of Chicopee was third, beaten in the last

POUGHEEMPSIE, Sept. 1.

To the Editor of the Sus-Sir: Have wheelmen any rights on the cycle strip of asphalt on the hill extending from Thirty-third to Thirty-sixth streets on Madison avenue? There seems to be a determination on the part of truckmen to use this strip of road, without any alvantage to themselves and to the great injury to the asphalt.

This morning a huge truck with immense wheels was driven deliberately down on this strip, and when forced to turn out for a wagon which stood at the cerb immediately turned back after being requested to keep off. There was no excuse for this, as there was plenty of room in the centre of the road.
